

10 WASH FUNDRAISERS

There are plenty of fun and creative ways to raise money for WASH. Choose from some of the ideas you see listed here, go online and find more or come up with something else entirely. Whatever route you go, be sure to include information about WASH and the great work they are doing to help children and families. Fun combined with a wonderful cause is a hard combination to resist.

1

Souper Party Have a soup cookoff. Ask local chefs in your area to donate their talents or tap the skill of any aspiring chefs in your own club. Label each soup with a number. You can charge guests for the right to vote on their favorite soup or let them vote with their wallet by placing a money container in front of each soup. The winner gets a small prize or trophy and bragging rights.

2

Clean-a-thon Raise money while cleaning up your community. Have people in your community pledge money for every item of trash you pick up on the day of the Clean-a-thon. For example, someone might donate 25 cents for every aluminum can you pick up or US\$5.00 for every pound of trash you collect.

3

Monsters in the Park Recruit “designers” who will craft monsters (or whatever animals or critters you like) out of whatever materials they want. Display the monsters in a park. People vote on their favorite by placing money in containers underneath each monster. Challenge other groups on your campus to compete for the most horrific design.

4

Car Wash Gather up some liquid soap, water, sponges, a hose and some energetic volunteers, then create some signs promoting your car wash. Charge around US\$5-\$10 per car.

5

Dance Off Select a venue, set up a registration process, decide on a fee for participants, gather your favorite songs and spread the word on social media. Charge attendees' admission and sell refreshments to raise even more money.

6

Game Night Find a space and volunteers to help set up, clean up and handle admission to your event. You can make it an adults-only night with games like Cards Against Humanity or Utter Nonsense or create a family friendly gathering with everything from Candyland and Jenga to puzzles and dominos. Sell refreshments to earn even more.

7

Rock-a-thon Grab a few rocking chairs and some willing rockers. Ahead of the event, get sponsors for your rockers or request sponsorships for the whole event from local businesses. People or businesses donate money for every hour spent rocking (i.e, \$2 for every hour spent in a rocking chair). Promote your event on social media and all over town. Set your rocking chairs up in a high-traffic area and let the fun begin.

8

Pie-Throwing Contest Create simple whipped-cream pies in tinfoil plates and charge a few dollars per pie. Recruit willing targets to get pied and encourage bystanders to work out their differences with a pie-off. (Stand back to back, take five steps, turn and throw.)

9

Rent-a-CKIer Invite people in your community to hire your club members to help with household tasks. Common jobs include mowing lawns, cleaning gutters, babysitting and dog walking, but you can get creative. Charge per task or by the hour.

10

Host a 50/50 Raffle Ask if you can run a 50/50 raffle during a sporting or other event on your campus. Sell tickets before the game/event or during a break in the event. Half of the money raised from the raffle ticket sales will go to the winner, half will go to WASH.

IN SUPPORT OF

children first.
