

Run for the

District board:

Think you have what it takes to be apart of the **Georgia CKI District Board** ? If so, run for a district office at this year's District convention! Each position has its own duties, which can be found in the "district officer guide" under the "resources" tab at www.circlek.org! So take some time and research which position you may be interested in! Once you've decided, make sure that you have someone to nominate you and "second" your nomination during district convention!
